

Team Chill Meeting Agenda/Minutes:

1. Comments from TAs
2. Demo of MVP
3. Questions
 - Should we use gems for Google Maps and Stripe integration, or should we try to build it out ourselves?
 - OK to include backbone for messaging system?
4. Progress report
 - Frontend
 - done with basic MVP
 - Spent majority of time on functionality, minimal time on appearance
 - Backend
 - did everything for MVP
 - Included testing of MVP code
5. Design updates
 - no major changes
6. This week's action items
 - upload all our meeting minutes - Jamie
 - remove password from design doc - PJ
 - comment everything - everyone
 - more model methods - everyone
7. Wrap up
