

Team Chill Meeting Agenda/Minutes:

1. Comments from TAs
2. Questions
 - polymorphic routes in rails
 - we don't keep track of phone number or exact address for security reasons
 - images_controller get_parentt (because of polymorphic images)
 - includes in listing controllers
3. Progress report
 - Frontend
 - reading up on backbone
 - Backend
 - coded up basic controllers
 - doing functional testing to make sure it's ready for frontend
4. Design updates
 - no major changes
5. This week's action items
 - build out MVP
6. Wrap up
